Name: Timothy Flatt
Hometown: Macomb Twp, MI
Entry: Jet Ski Hoist
School: Ferris State University
Faculty: David H Murray

Name: Matthew Leonard
Hometown: St Louis, MI
Entry: Stainless Steel Smoker/Grill
School: Ferris State University
Faculty: David H Murray

Bronze Award – \$75

Name: Sam Lipp
Hometown: Newcastle, WY
Entry: 12' Custom Hydraulic Dump Box Trailer
School: Sheridan College
Faculty: Joel Sims

Name: Eric Wilson
Hometown: Alberton, MT
Entry: Horse Drawn Buggy
School: University of Montana College of Technology
Faculty: Robert Shook

Name: John Brooke
Hometown: Missoula, MT
Entry: Bicycle Frame Jig
School: University of Montana College of Technology
Faculty: Bill Gleason

Best of Program – \$1,000

Name: Clem Schneider
 Hometown: Rodney, MI
 Entry: Draft Affects on Gas Metal Arc Welds
 School: Ferris State University
 Faculty: David H Murray

Gold Award – \$500

Name: Kurt Goodman
 Hometown: Portland, MI
 Entry: What affect does different types of shielding gases have on penetration using Pulse MIG Automation
 School: Ferris State University
 Faculty: David H Murray

Silver Award – \$250

Name: Morgan Neilson
 Hometown: Roscommon, MI
 Entry: Efficiency of 0.35", .045" wires
 School: Ferris State University
 Faculty: David H Murray

Name: Casey Phipps
 Hometown: Battle Creek, MI
 Entry: What effect does C-25 and 9010 shielding gases have on penetration of a mild steel 2F fillet weld?
 School: Ferris State University
 Faculty: David H Murray

Bronze Award – \$75

Name: Adam Trussler
 Hometown: Utica, MI
 Entry: What is the optimum shielding gas flow rate for a GTAW on mild steel?
 School: Ferris State University
 Faculty: David H Murray

Name: Jason Reinhold
 Hometown: Utica, MI
 Entry: All Weld Metal Test Plate
 School: Ferris State University
 Faculty: David H Murray

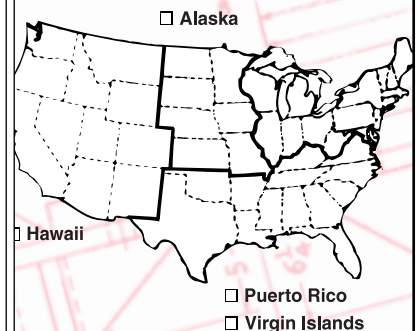

Name: Steven Phillips
 Hometown: Missoula, MT
 Entry: Automated Circumferential GTAW Tube Weld
 School: University of Montana College of Technology
 Faculty: Robert Shook

Career Student Awards 2003

(Welding Research for Study Problem Entries)

Awarded to Career Students over 18 years old enrolled in adult classes in high schools, vocational schools, junior or community colleges or 2-year college courses.

Division II-A and II-B Career Students

2003 Merit Awards – \$50 each

Division II-A

Name: Nick Chittenden
Hometown: Big Rapids, MI
Entry: Outdoor Wood Fireplace
School: Ferris State University
Faculty: David H Murray

Name: Jason Reinhold
Hometown: Utica, MI
Entry: Remote Controlled Hydroplane
School: Ferris State University
Faculty: David H Murray

Name: Morgan Neilson
Hometown: Roscommon, MI
Name: Charles Siegert
Hometown: Big Rapids, MI
Entry: Two Seat Sand Rail Chassis
School: Ferris State University
Faculty: David H Murray

Name: Chris Keith
Hometown: Big Rapids, MI
Entry: Space Saver Cherry Picker
School: Ferris State University
Faculty: David H Murray

Name: Tony Lenardson
Hometown: Newcastle, WY
Entry: 18' Custom Flatbed Trailer
School: Sheridan College
Faculty: Joel Sims

Name: Robert LaBean
Hometown: Essexville, MI
Entry: Outdoor Grill
School: Ferris State University
Faculty: David H Murray

Name: Kurt Goodman
Hometown: Portland, MI
Entry: H-Frame Hydraulic Shop Press
School: Ferris State University
Faculty: David H Murray

Name: Justin McNeilly
Hometown: Big Rapids, MI
Entry: Bent Top Stove
School: Ferris State University
Faculty: David H Murray

Name: Steven Phillips
Hometown: Missoula, MT
Entry: Welding Table Fabrication Project
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Chris MacKenzie
Hometown: Sheridan, WY
Entry: Grill Guard
School: Sheridan College
Faculty: Joel Sims

Name: Curtis Michalak
Hometown: Frenchtown, MT
Entry: Aluminum Trailer Encloser
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Benjamin Hogan
Hometown: Elwell, MI
Entry: Outdoor Wood Stove
School: Ferris State University
Faculty: David H Murray

Name: Chris Voll
Hometown: Hulett, WY
Entry: Dodge Ram Grill Guard/Bumper
School: Sheridan College
Faculty: Joel Sims

Name: Kevin Rutkowski
Hometown: Rockford, MI
Entry: Bent Top Wood Stove
School: Ferris State University
Faculty: David H Murray

Name: Dave Jedele
Hometown: Dexter, MI
Entry: High Power Launch Pad
School: Ferris State University
Faculty: David H Murray

Name: Justin Krause
Hometown: Augusta, MT
Entry: Front Pickup Bumper
School: University of Montana College of Technology
Faculty: Bill Gleason

Name: Darren Brown
Hometown: Missoula, MT
Entry: Airgate Fabrication
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Clem Schneider
Hometown: Rodney, MI
Entry: Bent Top Stove
School: Ferris State University
Faculty: David H Murray

Name: Nathan Lunn
Hometown: Missoula, MT
Entry: Four-Wheeler Utility Trailer
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Justin Koch
Hometown: Sheridan, WY
Entry: Fabrication of Flatbed
School: Sheridan College
Faculty: Joel Sims

Name: Kevin Follinglo
Hometown: Fromberg, MT
Entry: 22' Tilt Deck Trailer
School: Northwest Community College
Faculty: Bill Johnson

Name: Joe Graham
Hometown: Vulcan, MI
Entry: Calf Dryer
School: Ferris State University
Faculty: David H Murray

Name: Timothy Crier
Hometown: Missoula, MT
Entry: Ladder Rack
School: University of Montana College of Technology
Faculty: Bill Gleason

Name: Jennifer Stimpson
Hometown: Lodge Grass, MT
Entry: Flatbed for 1985 Ford Pickup
School: Sheridan College
Faculty: Joel Sims

Name: John Reyburn
Hometown: Spring Lake, MI
Entry: The Wind Flyer
School: Ferris State University
Faculty: David H Murray

Name: Levi Koeneman
Hometown: Missoula, MT
Entry: 40 Ton Hydraulic Press
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Scott Schwimmer
Hometown: Lillington, NC
Entry: Build a P-51 Mustang
School: Central Carolina Community College
Faculty: Charles Bell

Name: Gregory Nehl
Hometown: Waldorf, MD
Entry: Wrought Iron Antique Coffee Table
School: Ferris State University
Faculty: David H Murray

Name: Justin Roady
Hometown: Worland, WY
Entry: 18' Trailer
School: Sheridan College
Faculty: Joel Sims

Name: Eric Sapp
Hometown: Powell, WY
Entry: "Long Body, Charcoal, Tempering and Refining Forge"
School: Northwest Community College
Faculty: Bill Johnson

Name: Shane Rice
Hometown: Sheridan, WY
Entry: Roping Chute
School: Sheridan College
Faculty: Joel Sims

Name: Steven Myers
Hometown: Missoula, MT
Entry: Automotive Swing Set
School: University of Montana College of Technology
Faculty: Bill Gleason

Name: Adam Vance
Hometown: Jefferson, OH
Entry: Efficient Wood Stove
School: Ferris State University
Faculty: David H Murray

Name: Thomas Hamill
Hometown: Owosso, MI
Entry: Lawn and Garden Trailer
School: Ferris State University
Faculty: David H Murray

Name: Jason Sanders
Hometown: Missoula, MT
Entry: Cargo Basket Fabrication Project
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Warren Adams
Hometown: Baggs, WY
Entry: Welding Table
School: University of Montana College of Technology
Faculty: Bill Gleason

Name: Grant Comfort
Hometown: Missoula, MT
Entry: Sandblaster Cabinet
School: University of Montana College of Technology
Faculty: Bill Gleason

Name: Brady Mulley
Hometown: Lovell, WY
Entry: Welding/Utility Trailer
School: Northwest Community College
Faculty: Bill Johnson

Name: Adam Trussler
Hometown: Utica, MI
Entry: Gun Safe
School: Ferris State University
Faculty: David H Murray

Division II-B

Name: Charles Siegert
Hometown: Big Rapids, MI
Entry: Optimum Oxygen Plasma Kerf
School: Ferris State University
Faculty: David H Murray

Name: Cory Severn
Hometown: Big Rapids, MI
Entry: How parameters affect penetration and weld appearance of submerged arc welds?
School: Ferris State University
Faculty: David H Murray

Name: Justin McNeilly
Hometown: Big Rapids, MI
Entry: How changing the variables of a flux cored affects the weld profile?
School: Ferris State University
Faculty: David H Murray

Name: Benjamin Hogan
Hometown: Elwell, MI
Entry: The Weld Sealability of E-6010
School: Ferris State University
Faculty: David H Murray

Name: Joe Graham
Hometown: Vulcan, MI
Entry: How changing welding parameters will change weld profile with pulse spray GMAW?
School: Ferris State University
Faculty: David H Murray

Name: Timothy Flatt
Hometown: Macomb Twp, MI
Entry: Pulse GTAW vs. Conventional GTAW Travel Speeds
School: Ferris State University
Faculty: David H Murray

Name: Nick Chittenden
Hometown: Big Rapids, MI
Entry: SAW Parameter Functions and Affects
School: Ferris State University
Faculty: David H Murray

Name: Dave Jedele
Hometown: Dexter, MI
Entry: All Weld Metal Test Plate
School: Ferris State University
Faculty: David H Murray

Name: Chris Keith
Hometown: Big Rapids, MI
Entry: What effect does different types of shielding gases have on penetration using pulse GMAW?
School: Ferris State University
Faculty: David H Murray

Name: Curtis Michalak
Hometown: Frenchtown, MT
Entry: GTAW - Tube to Tube Automated Welding
School: University of Montana College of Technology
Faculty: Robert Shook

Name: Adam Vance
Hometown: Jefferson, OH
Entry: How do SAW parameters affect bead profile?
School: Ferris State University
Faculty: David H Murray

Name: Gregory Nehl
Hometown: Waldorf, MD
Entry: Submerged arc welding parameters
School: Ferris State University
Faculty: David H Murray

Name: Kurt Goodman
Hometown: Spring Lake, MI
Entry: Penetration comparisons between shelf-shielded flux cored & submerged arc welding fillet welds
School: Ferris State University
Faculty: David H Murray

Name: Dave Jedele
Hometown: Dexter, MI
Entry: 2G GTAW Root w/7018 Cap
School: Ferris State University
Faculty: David H Murray

Name: Dave Jedele
Hometown: Dexter, MI
Entry: 4G SMAW
School: Ferris State University
Faculty: David H Murray

Name: Dave Jedele
Hometown: Dexter, MI
Entry: 3G GMAW Down
School: Ferris State University
Faculty: David H Murray
